*“With reins in my fingers
and stirrups beneath my toes,
when I ride . . .
my ability is all that shows.”*

Banbury Cross

White Oaks was established in 1995 for the purpose of providing recreational, educational, therapeutic, and social opportunities for persons with disabilities.

WHOA programs improve physical capabilities and functional skills as well as furnish students the opportunity of added leisure time, physical activity and social interaction.

Volunteers

Therapeutic riding is made possible through the assistance of dedicated, trained volunteers who help with horses and riders, stable maintenance, special events and fundraising.

Therapeutic
Animal Assisted
Activities

White Oaks provides programs for physically and/or mentally challenged people, ages four through adult.

Basic instruction is given in grooming, tacking, horsemanship, riding and driving skills. Classes include mounted exercise, reinforcement of learning objectives, games, and **a great deal of fun for all involved!**

Walking

Smiles!

Bonding
